

BECOME PART OF OUR TEAM!

Goldschmidt is an international group of companies and offers products and services for all aspects of tracks. Our expertise can be found in almost all railway infrastructures around the world. Every single member of the Goldschmidt team contributes to a sustainable and climate-neutral future every day.

Look forward to your dream job in the railway industry. Relevant for the future, crisis proof and with a genuine long-term perspective.

Located in our Rainham, Essex facility, we are recruiting with immediate effect for an:

MMA AND FCAW WELDER TRAINER (M/F/D)

YOUR TASKS

- Provide training and assessments on the Thermit Welding premises and other approved training centres as required
- Provide training at customer sites
- Provide expert advice and assistance to all our customers and partners
- Provide support to TW management for development and testing of new products and processes
- To ensure continued compliance with company quality, safety and environmental policies while undertaking all activities

OUR BENEFITS

- The position will be primarily office based at our premises in Rainham, Essex but may include some off-site training (UK only) where necessary
- To provide a good work/life balance the position will be Monday – Friday, broadly 07:00 till 15:00
- Competitive salary
- Company pension scheme
- The use of a fully expensed company van
- 25 days annual leave plus UK bank holidays (33 days paid leave total)

YOUR PROFILE

- Qualified in MMA (Manual Metal Arc) and FCAW (Flux Cored Arc Welding) for delivery of training and assessments
- NSAR (National Skills Academy Rail) recognised status highly beneficial
- Qualified welder to TW 1 - 5 (minimum)
- Qualified welding inspector level advantageous but not essential
- Must be passionate about delivering and developing future talent for the railway industry

You are looking for a challenge in an exciting, international environment and enjoy goal-oriented work in a dynamic team? Then apply for the Goldschmidt team, preferably by e-mail.
